

# SERC Jobs and Careers Fairs 2026

## Event Guide

The SERC Careers Team are delighted to welcome you to our **2026 Jobs and Careers Fairs** taking place across our main campuses as follows:

- **Tuesday 24 February** – Bangor Campus, Central Hall, 10:30am-12:00pm
- **Wednesday 25 February** – Downpatrick Campus, Sports Hall, 10:30am-12:00pm
- **Tuesday 3 March** – Newtownards Campus, Reception Area, 10:30am-12:00pm
- **Wednesday 4 March** – Lisburn Campus, Sports Hall, 10:30am-12:00pm

These events offer a great chance to connect with employers, discover opportunities across a variety of sectors, and start planning your next steps.

Whether you're planning to continue your studies or move straight into employment, this is the perfect opportunity to discover what roles are out there, how to apply, and what skills or qualifications employers are looking for. You'll also be able to explore different career paths and progression routes. To make the most of the event, we encourage students to do the following:

- Plan your visit. With over 40 organisations attending, identify in advance which stands you would like to visit. Information about each exhibitor is included in this guide.
- Read the suggested questions for exhibitors in this guide, to help you get the most from talking to the exhibitors.
- Keep an open mind – find out about opportunities with the different exhibitors – you might be surprised by what they offer.
- Meet the careers team at our **“Preparing for the Fair & CV Pop-ups”**:
  - Lisburn, at the Love your College Fair – Mon 2 Feb, 10am-1pm
  - Bangor outside canteen- Tue 17 Feb, 10-11am
  - Ards reception – Tue 17 Feb, 9-10am
  - Dpk reception – Wed 18 Feb, 10-11am

We hope you have a great time at the fairs and come away feeling inspired and confident about your next steps.

SERC Careers Team.

## Exhibitor Information

Suggested questions to ask exhibitors:

- What skills or qualities do you value most in new entrants to your organisation?
- Are there entry-level roles or apprenticeships suitable for someone coming straight from college?
- What does career progression typically look like in your company?
- Do you offer training or support for gaining industry qualifications?
- What kind of work experience or part-time roles would help me become a stronger applicant?
- What does a typical day look like for someone starting in one of your junior roles?
- Are there particular subjects or courses that align well with your recruitment needs?
- What makes someone stand out during your application or interview process?
- Do you have opportunities in different locations, or is everything based locally?
- How can I stay updated about upcoming roles or recruitment events with your organisation?

NOTES: *Remember to bring a notebook to write down names and contact details or make notes here if you're printing this guide.*
