1. BACKGROUND

- 1.1 South Eastern Regional College (SERC) is a College of Further Education incorporated under the Further Education (NI) Order 1997. Its structure of governance is laid down in the Instruments and Articles of its incorporation. The Instruments and Articles of Government can only be amended with the approval of the Department for the Economy. The College is accountable through its Governing Body, which has ultimate responsibility for the College's management and administration.
- 1.2 For policy/administrative purposes, the college is classified as an executive non-departmental public body. This means that it is overseen by a Board which is appointed by the Minister and that it employs its own staff and is allocated its own budget.
- 1.3 The College has been accepted as a charity for tax purposes by HMRC. The HMRC Charity tax reference is XT7372.
- 1.4 The Management Statement and Financial Memorandum between the Department for the Economy (DfE) and the Further Education Colleges was agreed on 1 October 2018.
- 1.5 Subject to legislation, the Management Statement (MS) sets out the broad framework within which the College will operate, in particular:
 - the College's overall aims, objectives and targets in support of the Department's wider strategic aims and the outcomes and targets contained in its current Programme for Government (PfG) targets;
 - the rules and guidelines relevant to the exercise of the College's functions, duties and powers;
 - the conditions under which any public funds are paid to the College; and
 - how the College is to be held to account for its performance.
- 1.6 The associated Financial Memorandum sets out in greater detail certain aspects of the financial provisions the College shall observe.
- 1.7 The Management Statement and Financial Memorandum do not convey any legal powers or responsibilities.
- 1.8 The responsibility for ensuring that the College complies with the Management Statement and Financial Memorandum, and related guidance, rests with the Governing Body of the College.

2. STATUS OF FINANCIAL GOVERNANCE

- 2.1. This document sets out the College's Financial Governance & Regulations. It translates into practical guidance the College's broad policies relating to financial control. It applies to the College and any subsidiary undertaking which the College may subsequently establish.
- 2.2. These Financial Governance Regulations are subordinate to the College's Instruments and Articles of Government and to any restrictions contained within the Management Statement and Financial Memorandum (MS/FM) with the Department for the Economy and the Department for the Economy's Audit Code of guidance.
- 2.3. These Financial Governance Regulations should be read in conjunction with the MS/FM between the Department for the Economy and the College.

- 2.4. Compliance with the Financial Governance Regulations is compulsory for all staff connected with the College. A member of staff who fails to comply with the financial regulations may be subject to disciplinary action. Any such disciplinary action will be taken through the College's normal disciplinary policy. Breaches resulting in disciplinary action will be notified to the Governing Body through the Audit & Risk Committee. It is the responsibility of the Directors/Chief Officers and Heads of Department to ensure that their staff are made aware of the existence and content of the College's Financial Governance Regulations and its availability on the SERC Learning Engine.
- 2.5. Compliance with the Financial Governance Regulations is compulsory for all Governors.
- 2.6. The Finance and General Purposes Committee is responsible for maintaining a continuous review of the Financial Governance Regulations and advising the Governing Body of any additions or changes necessary. These procedures will be subject to an annual review.
- 2.7. The College's detailed financial procedures set out precisely how the regulations will be implemented and are available on the SERC Learning Engine.

3. FINANCIAL CONTROL – STRUCTURE AND COMMITTEES

- 3.1. The Governing Body is responsible for securing the effective and efficient management of the College and has ultimate responsibility for the College's finances. Audit and Risk Committee

- 3.2. The College is required by the Order and the Articles of Government to set up an independent Audit and Risk committee. The committee is independent, advisory and reports to the Governing Body. It has the right of access to obtain all the information it considers necessary and to consult directly with the internal and external auditors. The committee is responsible for identifying and approving appropriate performance measures for internal and external audit and for monitoring their performance. It must also satisfy itself that satisfactory arrangements are in place to promote economy, efficiency and effectiveness.
- 3.3. The duties of the Audit Committee are set out at Appendix B.
- 3.4. The audit requirements of the College are set out in the Department for the Economy's Further Education Audit Code for the Governing Bodies (and Audit and Risk Committees) of Further Education Colleges (dated 1 April 2018). The Audit and Risk Committee must comply with the arrangements determined in the Articles of Government and the Audit Code for the Governing Bodies of Further Education Colleges.

Finance and General Purposes Committee

- 3.5. Within the terms of its Articles and Instrument of Government the Governing Body has established a Finance & General Purposes Committee to monitor the College's financial position and financial control systems. The committee will examine annual estimates and accounts and recommend their approval to the Governing Body. It will ensure that short-term budgets are in line with agreed longer term plans and that they are followed. It will consider the College's medium term and strategic plans and is responsible for ensuring

that all financial implications of such plans are taken into account before their approval by the Governing Body.

- 3.6. It is responsible for considering the College's capital programme before it can be recommended to the Governing Body for approval and in addition it shall consider and make recommendations to the Governing Body on the allocation of resources. It will consider any other matters relevant to the financial duties of the Governing Body and make recommendations accordingly. The committee will ensure that the Governing Body has adequate information to enable it to discharge its financial responsibilities. A more detailed list of the responsibilities of the Finance & General Purposes Committee is shown at Appendix C.

The primary role of external auditors is to report on the financial statements of the College and to carry out whatever examination of the statements and underlying records and control systems is necessary to reach their opinion on the statements. The external audit report should also state whether, in all material respects, recurrent and specific grants from the Department (and other bodies and restricted funds where appropriate) have been properly applied for the purposes provided, and in accordance with the College's MS/FM with DfE.

Internal Audit

- 4.8. The MS/FM with the Department for the Economy requires the College to establish and maintain arrangements for internal audit in accordance with the Public Sector Internal Audit Standards (PSIAS).
- 4.9. The Internal Audit provider shall be procured at sectoral level.
- 4.10. The work of Internal Audit is carried out primarily for the benefit of the Accounting Officer and Governing Body of the College and is likely to be the single most significant resource used by the Audit Committee in discharging its responsibilities.

- 4.12. The scope of the internal audit service must embrace the whole internal control system of the College including all its operations, resources, staff, services and responsibilities. It must cover all activities in which the College has a financial interest including those not funded by the Department.
- 4.13. The internal audit remains independent in its planning and operation and has direct access to the Governing Body, Accounting Officer and Chair of Audit and Risk Committee. The Audit and Risk Committee has the right to meet with the Internal Auditors without a management presence.
- 4.14. The formal responsibilities of internal audit are detailed at Appendix D. The internal audit provision should conform to the standards for internal audit set out in the Public Sector Internal Audit Standards (PSIAS).
