APPENDIX 1: DOCUMENT CHANGE HISTORY			

# 1.0 Change History

Changes to this Policy are documented in Appendix 1 of this document. When reading electronic copies of this document, you can click here to view the change history.

# 2.0 Purpose

SERC recognises the importance of admitting applicants to a course suited to their ability and aspirations. The admissions procedure takes account of all aspects of the application process, not just an applicant's academic profile to ensure equality of opportunity to all. SERC is committed to widening participation and to promoting wider access to Further and Higher Education.

All applications are considered without regard to any bias e.g. age, ethnic origin, disability, sexual orientation, gender, religious or political beliefs, marital status, care experience or socio-economic background.

SERC operates an online application process for all courses through its website <a href="www.serc.ac.uk">www.serc.ac.uk</a>. Applicants can use one of various social media accounts to register e.g. Facebook, Instagram. The online application portal will open in January each year for full time Further Education admissions and in May each year for part-time Further Education admissions.

# 3.0 Scope

This Policy will apply to all Further Education admissions at SERC. It will outline all aspects of the admissions process and will bring together the application and enrolment process.

This Policy also meets Competition and Markets Authority guidance for Further & Higher Education, and Awarding Organisation requirements.

#### 4.0 Procedure

#### 4.1 Further Education Applicants

Applicants will apply online and receive an automatic acknowledgement email confirming receipt of their application.

Applicants may be invited to attend a mandatory pre-entry advice and guidance session and may need to complete an assessment e.g. an audition / submission of a portfolio / skills test. SERC's pre-entry advice and guidance sessions will take place between April and June each year, with follow-up sessions, if required, being offered in August.

The College will communicate the outcome of these sessions via email within 5 working days (see definitions in section 5.0).

Applicants are issued with either a Conditional Offer or, if they already meet the entry criteria, they will be moved to 'Enrolled' status. Applicants who have been unsuccessful with their application will be referred to the Careers Team for further advice and guidance.

#### 4.2 Admissions Criteria

The College reserves the right to enhance the entrance criteria for all courses based on demand and required academic standards as specified by the awarding body/validating organisation. The College will notify applicants in writing of changes to admissions requirements prior to the commencement of any programme of study.

All applications will be received in the English language. Applicants for full-time FE Programmes must be competent in same.

Applicants applying for ESOL Provision can avail of the google translate function on the SERC Website, whereby they can complete their application in their home language, subsequently their application will be received in the English Language.

#### 4.3 Applicants with Additional Needs

The College welcomes applications from all learners who have a learning disability and / or difficulty. The College will make reasonable adjustments to ensure support for any applicant with a learning difficulty and/or disability to assist them in the admissions and enrolment process and in the progression and completion of their studies.

There may be times, however, taking into account the resources of the College, when the nature of a student's ill health or behaviour requires support and adjustments beyond the expertise or capacity that the College can reasonably offer.

The College reserves the right to refuse admission to an applicant who has been previously excluded from the College or partner organisations or who previously attended but failed to make sufficient effort towards successfully completing their studies. The College reserves the right not to admit an applicant who has any outstanding debts to the College.

To help the College fulfil its commitments, all applicants must declare whether they hold or have held any convictions at the time of their application.
